3. GENERAL TERMS & CONDITIONS FOR THE CAMP SITE AND RENTAL OBJECTS:

Charges to be paid by visitors to our camp site result entirely from Lech Camping GmbH's current valid price lists. On entering our camping park, guests at our camp site accept the current price list, which is on display in Reception.

Lech Camping GmbH is entitled to withdraw from the contract if the rental object cannot be provided after concluding the contract as a result of higher power. In this case sums which have been paid are returned. Further claims over and above this are excluded. In this case Lech Camping GmbH is obliged to inform the visitor to our camp site immediately.

The visitor is obliged to treat the site for putting the tent up, the facilities, rental objects and inventory with care. Visitors to our camp site are responsible for their own guests and visitors, and are obliged to register their guests in our Camping Park's Reception **prior to their entering**, and are responsible that fees according to the valid price list have been paid to reception prior to their departure. Visitors must fundamentally park away from the main entrance gate to Lech Camping GmbH. The Camp Site regulations, which are available online (www.lech-camping.de) and will be handed out on request, are binding for all visitors to our camp site and their guests.

Lech Camping GmbH is entitled to cancel a contract without any notice on important grounds, if the visitor continually contravenes the Camp Site Regulations with his behavior, endangers others, continually causes disruptions, uses the site for erecting his tent or the rental object in a manner contrary to the contract, does not handle rental objects with care or conducts himself or herself in other grossly negligent fashion. In this case the visitor has no claim to repayment of rental costs.

The company Lech Camping GmbH is liable exclusively for acting with intent and gross negligence. It is not liable for damages which occur due to blackouts, failures or faults in the supply of water, electricity or gas, nor for noisy disturbances by third parties nor for negligent violations of their obligations which cause damages, occurring through use of equipment or apparatus situated on the camp ground – including those which have been placed out of operation – and precautions. This is also valid for legal representatives violating obligations or for the fulfilment operatives of Lech Camping GmbH.

Bathing in the lake and use of all facilities (boats, surf boards, toys and games, go-carts, toddlers' bicycles, trampolines etc.) takes place at one's own risk. Parents are liable for their children. Visitors to our camp site are also responsible for their guests and visitors.

Several times during the holiday season we take photographs / record videos, in order to continually present our camp site and all its facilities in an up-to-date way to all the media (internet, print media etc.). Through staying with us, you declare your agreement to publication of photographs / videos, in which you, your traveling companions and pets, your guests and visitors and their property are shown.

We wish you a pleasant and relaxing holiday with Lech Camping.
